

MORRISONS

est. 1946

WELCOME TO A NEW CHAPTER IN THE HISTORY OF MORRISONS JEWELLERS.

A new chapter has opened for Morrisons in the Constantia Courtyard at Constantia Village. After months of searching, we finally found the ideal surroundings to complement our passion for the design and making of fine jewellery. For the décor we chose tall imbuia cabinets and elegant counters in which to encase our treasures. We strove for classic lines, glorious open windows and plenty of natural light. We know you will embrace our new home with as much delight and enthusiasm as we have.

It is here where decades of experience and finely honed skill combine with internationally acquired expertise in the creation of classically elegant jewels for the new millennium. This is Morrisons! A third generation family business, in its 6th decade of operation, which caters to your every jewellery need, with on premises designers, watchmaker, jewellers and gemologist (GIA, USA). Stockists of the exceptional Michel Herbelin range of watches. Let us delight you with our refreshing innovations.
